

## **Junior Research Fellow Position at Ashoka University**

### **Position:**

A Junior Research Fellow (JRF) position for DBT funded project is open in the mechanobiology lab at Department of Biological Sciences, Ashoka University

<https://www.ashoka.edu.in/faculty#!/shubhasis-haldar-726>

### **Requirements:**

MSc (Physics/Chemistry/Biochemistry/Biotechnology/ Biophysics) or MTech or equivalent degree with a minimum of 55% aggregate score in masters' degree.

### **Duration:**

Initial appointment will be for 6 months, which is extendable upon satisfactory performance. Salary and benefits are commensurable to educational qualifications, prior experience and in accordance with Department of Biotechnology, Government of India guidelines.

Selection will be carried out in two stages. An initial screening to shortlist suitable candidates will be followed by an interview at the Ashoka University by a panel of scientists. Shortlisted candidates residing beyond 500 km from Delhi may opt for video- conferencing. The decision of the interview panel regarding the selection of the candidate will be final and no further correspondence will be entertained in this regard. Appointment Start-date – Early 2020

Application Interested individuals should email their curriculum vitae to Dr. Shubhasis Haldar at [Shubhasis.haldar@ashoka.edu.in](mailto:Shubhasis.haldar@ashoka.edu.in) (Only shortlisted candidates will be notified)
