

Project Assistant Position at Ashoka University

Position: A Project Assistant position funded by Ramalingaswami Fellowship is open in Asst. Prof. Basudeb Maji's lab in the [Trivedi School of Biosciences](#), Ashoka University (<https://www.bmajinative.com>). The lab works on organic synthesis, medicinal chemistry, chemical biology and synthetic biology. The successful candidate will contribute in projects with experiments related to small molecule synthesis and characterization, biophysical, and biochemical studies. The person will also assist in daily operations of the laboratory including maintaining inventories and ordering supplies related to the project. Training and mentorship specific to the project will be provided.

Requirements:

- Post-graduate degree in Chemistry and master's project in Organic Chemistry.
- In-depth knowledge and laboratory expertise in organic synthesis, NMR, Mass, and other spectroscopic methods. Prior experience in peptide chemistry is an advantage, but not mandatory.
- Must have an enthusiasm for research, passion to learn and be able to maintain meticulous records of experimental procedures.

Duration: Initial appointment will be for 6 months, which is extendable up to 1 year upon satisfactory performance.

Salary: A consolidated monthly salary of Rs. 35,000.00 will be provided.

Interested individuals should email their curriculum vitae detailing relevant laboratory research experience and contact details of at least two referees (email and contact number) to Asst. Prof. Basudeb Maji at basudeb.maji@ashoka.edu.in before 21st August 2021.

(Only shortlisted candidates will be notified)
